BOARD OF EDUCATION

The Board of Education had a called meeting last evening for the purpose of electing two primary teachers and a teacher for the seventh and eighth grades in the High School.

The selection of the first two was an easy proposition and resulted in the election of Miss Nancy Kennan for First Ward School and Miss Nellie Williams for the Sixth, at a salary of \$50 per month.

There were two contestants for the High School position—Miss Brown of Bourbon and Mr. H. S. Hudson of Fleming, a recent graduate of Center College, Danville. Both developed ardent supporters and much was said in behalf of each, their virtues and capabilities being highly extolled. On a vote being taken the Fleming gentleman won. His salary is \$70 per month.

The next number on the program was the two new school buildings, which proved a lively and warm one. Tart and sarcastic remarks were exchanged between several of the members—much ado about nothing, as it were.

Member Cochran presented the subject in a plain, practical matter of fact way, setting forth conditions as they really exist; however, much it were better they were otherwise. He stated in substance that changes had been made in the plans to conform with the amount of money to be expended. The outlines and beauty and capacity of the buildings remained as they had originally been drawn, that the reduction had been made in lopping off extraneous things—for the present at least. In fact the plans are now about what they were first intended to be, and will come inside the money set apart for their construction.

After his explanation of what the Committee had done and what remained to be done before the work could be proceeded with, the Board accepted the situation and got down to business.

The Committee was authorized to advertise and receive bids for the buildings under the changed plans. Ten days was allowed for advertising. The bids to be opened and contracts awarded Monday, June 17th, at another meeting of the Board.

In his instructions to the Grand Jury at Hopkinsville Judge T. P. Cook directed a close and careful investigation of the lawlessness incident to the tobacco war in Western Kentucky and told the Jury it must return indictments if the evidence justified, no matter who was found to be guilty. Judge Cook denounced the use of force in the fight against the Tobacco Trust and said if might could make right anarchy would soon prevail.

WHAT is so rare as a snow in June? We have had snow every month of the present year, and 1907 is proving a record-breaker on many counts.

Do you notice that while the political storm rages the Hon. JOHN CREPPS ain't saying a word and 'e writes no letters? He has enough wood sawed and stacked to last him all this cool summer, too.

If gall and whiskers can carry him through, Mayor SCHMITZ of San Francisco will emerge from his ordeal with flying colors. The brass of a Government mule doesn't equal the brand worn by Mr. SCHMITZ.

Who says there is nothing in a name, or at least in an initial?—*Lexington Leader.*

At Connellsville, Pa., President ROOSEVELT, in an impromptu speech, said:

"I have mighty little use for the man who is always coming in favor of an eight-hour day for himself who does not think anything at all of having a sixteen-hour day for his wife. I believe in an eight-hour day for the man, but I want to see the man's wife given as good a day as the man."

For heaven's sake don't let BILL BRITTON hang around the City Hall when he locates in Lexington. He might go to sleep and dream that he was in the Breathitt County Courthouse and then begin shooting.—*Lexington Leader.*

MARSE HENRI WATTESON, the old Southern war horse of Democracy, thus sizes up Mr. BILLY BRYAN, the perennial candidate for the Presidency:

"Mr. BRYAN must be most attractive and suggestive to hold his own in the public eye.

"So he says he would drive men out of the party who didn't believe as he did?

"Well, he has driven some hundreds of thousands of Democrats out of the party, has driven it out of possession of every Northern state it had and out of its majority in the Lower House of Congress.

"Yes, he is a pretty good driver.

"As the Democratic party is at present constituted, it can win in the next Presidential campaign only in case there is cholera in Cuba, yellow fever in the Philippines, and corn goes down to 30 cents and wheat to 40 cents, or should the Republican party split under ROOSEVELT as the Democrats did under CLEVELAND."

"There is a great difference between the actions of a woman before and after marriage," remarked the sad eyed man with the absent hair.

"What's the answer?" queried the youth who was on the verge of graduating from a correspondence school.

VALE, HAYSWOOD SEMINARY

Brilliant Commencement Exercises
Last Night Ring the Final Curtain on Famous Institution

Twenty-three Years of Excellent and Successful Teaching

The twenty-third annual session of Hayswood Seminary had its formal closing in the Commencement exercises held last evening at the First Presbyterian Church.

The fine auditorium was crowded with friends and patrons of the institution, and the exercises were replete in every detail.

After twenty-three years of successful work, Hayswood this year closes its doors under the direction of the Misses Hays, whose school has been recognized among the foremost in the state. The influence of this Seminary in this locality has been marked, and looking back over the long period of years when its school-rooms have been most busy the Faculty is assured it has its credit a number of most "Honorable Yesterdays."

The young ladies who have from year to year finished the prescribed course have been members of the prominent families in this section, and the institution's work has ever been under the direction of the most efficient instructors.

This year the graduates were Miss Elizabeth Craile of Montana, Misses Thillie Parker, Sallie Milton Hall and Elizabeth Graham Barbour of this city, and the program for the evening was as follows—

Invocation, Rev. John Barbour, D. D.

Chorus—"Let the Hills Resound," Brinley Richards.

Essay—Subject: "Chasing Ideals," Miss Craile.

Essay—Subject: "Diogenes and His Tub," Miss Parker.

Concerto in C major (first movement) Beethoven, Misses Elizabeth Barbour and Ada Emmitt.

Essay—Subject: "Honorable Yesterdays; Hopeful Tomorrows," Miss Hall.

Essay—Subject: "If I Were You," Miss Barbour.

Duo—Venetian Scene, Pirani, Misses Florence Barbour and Irene Hughes.

Delivery of Diplomas and prizes, Rev. C. C.

Hays, D. D., Johnstown, Pa.

Duo—Gondoliers, McDowell; Misses Sallie Milton Hall and Thillie Parker.

Benediction.

THE PUBLIC LEDGER feels it incumbent upon it to state that the closing of Hayswood Seminary is a distinct loss to our city, county and state. In our judgment there were very few educational institutions in the West superior to Hayswood, and the Misses Hays retire after twenty-three years of unparalleled success and satisfaction.

Who will gainsay the assertion that the late lamented Dr. John Hays and his most pre-eminent accomplished daughters, who now reside among us, have not made a lasting impression upon the religious and educational mind of our city and state?

Their work at all times has been for "God and Education," and to the thousands of pupils who have received instruction at Hayswood and gone forth to battle with the material world were armed with all the mental and physical graces fitting and qualifying them for success in their chosen fields, in the home, in society or the professions.

To Miss Fanny Hays, the Principal of Hayswood, and her able co-laborers and sisters, Miss Carrie Hays and Miss Florence Hays, Miss Mary Powell and Miss Jennie Moore, the latter the efficient head of the musical department, is due, homage from our community for the unrivaled work they have accomplished here.

The charming scene in the Church last evening was an appropriate setting for the closing, the last scene of all, of this justly famous school.

The sweet girl graduates, typical and beautiful in gown of purest white, with roses and music, effulgent light and troops of friends to bless them as they stepped over the threshold of youth into the activities of real womanhood, indeed presented a beautiful living tableau that will linger long in the memory.

There is something beautifully pathetic in these June graduating exercises which appeal to the emotions, and for the occasion at least, we seem to exist in an ideal world. In presenting the diplomas to the four fair graduates, after their essays had been so beautifully read, Rev. Dr. C. C. Hays of Johnstown, Pa., delivered a brief address of eloquent admonition to the young ladies.

Miss Irene Hughes of the Chapel Department was awarded the prize for perfect attendance. In the Primary Department, Miss Rebecca Claybrook, Miss Harriet Rains, Miss Leola Parry and Master Cecil Dickson, drew lots for the prize and Master Dickson was the lucky one to carry off the class honor.

Miss Ida Wail of Flemingsburg is the guest of Mr. and Mrs. W. H. Means.

Born in Chicago, to the wife of Mr. Gus Wormald, formerly of this city, a son.

The following Confederates returned last night from the reunion at Richmond, Va.—S. P. Clack of Ewing, Alex. Duke, John Bondeau, Thomas Lashbrooke, Mace Collins of Flemingsburg and Jim Bob Wilson. Dan Perrine, Judge Wail and the rest of the old boys from Mason county are seeing the sights and having a good time in general in Washington City.

MORE DESPOILMENT

Are the Citizens of Maysville Going to Permit the Demolition of the Esplanade?

The property owners on both sides of Fountain Square in Market street are to petition Council to remove the elevated concrete pavement that occupies the site of the old market house and pave the entire space from curb to curb with vitrified brick.

The taxpayers along that thoroughfare are said to be almost unanimous in their desire to have this improvement made, and it looks like the City Dada will have to comply with their wishes.

At present the Esplanade is of little use. The inactive fountain is rusting away, the trees are dying off, the concrete work is cracking and the whole affair will soon need extensive repairs. Unless it is quickly put in shape, the place will eventually become an eyesore.

Three years ago the Esplanade was the one beauty spot in the heart of the old town, but the hand of decay is making itself manifest, the onward march of the city's progress cannot be arrested and it begins to look like our former pride is scheduled to pass down and out.—Daily Bulletin.

Bro. Altmeyer, this must be another joke like the Sixth Ward proposition to cut itself loose from the City of Maysville.

There must be something serious ailing our people when such proposals are even given serious consideration in our newspapers.

The Esplanade, 'tis true, is in Market street, but if THE PUBLIC LEDGER is not mistaken it is the property of the taxpayers and citizens of Maysville with the City Officials as custodians; and, have not all the people of Maysville, from Smoky Hollow to the Cemetery, a voice in the matter?

It is no doubt true that the City Council could dig up our still beautiful Esplanade and pave it with brick, make a brick yard or a cornfield of it. But surely there is no Council that would be idiotic enough to attempt that.

There is nothing at all the matter with the Esplanade, only it lacks care and attention. No public utility is automatic, self-supporting and runs of itself. Every square, every park,

street and alley in all towns and cities, needs care and repair every year.

Do you want to see it made into a horse market?

What is the matter with it today?

Why it is merely neglected, and the scanty sum that would transform a concrete Sahara into a blooming oasis of shade and sparkling water is begrudged and withheld by our City Dada, who, probably, have been so busy and harassed with the annoying problems involved in the propositions to erect the new School Building and finish the brick streets, that a little thing like repairs to the Esplanade is lost in the shuffle.

Now, just on the threshold of seeing Maysville transformed into the "City Beautiful," the proposition is sprung to abandon the only public beauty and breathing spot South of Limestone creek, and make of it a thoroughfare for horses and cattle.

Of course, people will differ in regard to the beauty vs. the utility of the Esplanade, as well as about the other propositions, but it does seem to us that after the City has made such a pretty and unique spot of our former antique and ramshackle, but historic old market house of pleasant and also odiferous memory, that our people should and ought to be satisfied, eager and willing to expend a hundred dollars a year to keep the trees green and the fountain gushing forth its living waters from May 1st to October 31st, only six months.

The Esplanade fountain, properly operated, would be the most attractive object to strangers visiting our city; besides, the satisfaction it would give to every man, woman and child in Maysville, would ten times over repay every cent expended upon it.

If the Esplanade is to fall a prey to the senseless commercialism of the times, on the plea that it is a decaying eyesore and should give way to a mule or horse market or a public thoroughfare, then THE PUBLIC LEDGER is not only going to exercise its right to kick and its prerogative to howl and squeal, but it is going to call upon all law-abiding and progressive citizens to stand with it and not only retain the Fountain, but to further embellish the Esplanade.

and make it what it should be, i. e.: one of God's little green temples illuminated by the grace of sparkling waters and the laughter of happy children.

HAILSTORM

At Rectorville Yesterday Afternoon. Devastation to Crops

Just after three o'clock yesterday afternoon Rectorville and vicinity was visited by a very destructive and violent hail and windstorm. Vegetation of all kinds was literally beaten in the ground and destroyed and the trees almost entirely stripped of their foliage.

A telephone message from the storm center to The Ledger says that it was the worst fall of hail ever recorded there and that the ground was covered to a considerable depth with stones in great piles as large as walnuts.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. CHARLES MARSHALL

Former Mason Countyman Pros-
pering in Illinois

Prof. R. O. Chambers of Serdis visited a former Mason county boy, Charles Marshall of Belknap, Ill., and purchased from him 325 of as fine lambs as ever went down the line.

Lambs on the 28th day of May averaged 55 pounds and were shipped to the Cincinnati market and brought \$8.75 per hundred. Mr. Marshall is a son of Colonel Robert Marshall of the Sardinia community and went to Illinois twenty-two years ago and has made a wonderful success. He is now the possessor of twenty-four hundred acres of fine virgin soil, which will grow fine tobacco and raises 60 to 90 bushels of corn to the acre. Mr. Marshall seems to be quite a criterion to people of his locality and it is only a matter of short duration when Mr. Marshall will be immensely wealthy man. Mr. Chambers had a delightful trip and made a nice home for his lambs.

ROOSEVELT

At Indianapolis—Remarkable Introduction of a Remarkable President

In introducing President Roosevelt at Indianapolis, Governor Hanley of Indiana, said:

"This, in and of itself, is a great occasion. It is great because of the purpose for which we are assembled; because of the character and the fame of him whose memory we are met to honor, and because of the presence of his widow and his gracious daughters, but it would still be great were all these elements absent, because of him who is to bear the principal share in its ceremonies.

The Presidential office is the greatest office in the gift of men. It requires a strong man to administer it. A weakling would be quickly overwhelmed by its responsibilities and lost amid its immensities. But he whom I now have the privilege and the honor to introduce to you is at home in that great office. Great as it is, it is to him but opportunity, nothing more. By his own intrinsic worth he has added distinction to its greatness and luster to its fame. For him there have been, there are no problems.

Ladies and gentlemen, the President of the United States."

MOST FATAL YEAR

The Last Twelve Months Hold the Record of Disasters

The year of 1906, according to an insurance company, established the most fatal record of disasters on land and sea of any year in the history of this country. Motor cars contributed to fatalities not quite 500 deaths; 1,184 persons were killed in burning buildings; 2,985 were drowned.

Explosions killed 623. Falling and collapsed buildings cut off 483 lives. Five hundred and ninety-nine persons were killed in mining accidents; 700 in cyclone storms; 205 died from lightning strokes, and electricity numbered 176 persons as its victims. Six hundred people were killed by the accidental discharge of firearms, and exactly the same number perished because of elevator accidents. Seven thousand pedestrians met death on the public streets.

Teams killed 5,000. The loss of life by ocean disasters during 1906 was 2,193, and on the Great Lakes and rivers 185 lives were lost. Deaths due to hunting accidents totaled 74. Thirty-four thousand were killed while doing their day's work. Sixty thousand people were maimed and lost either hand, foot, legs, arms or eyesight.

HOUSEHOLD CARES

Tax the Women of Mayville the Same as Elsewhere.

Hard to attend to household duties With a constantly aching back. A woman should not have a bad back, And she wouldn't if the kidneys were well. Doan's Kidney Pills make well kidneys. Here is a Mayville woman who endorses this claim:

Mrs. Lizzie Bridges, of 206 West Third street, Mayville, Ky., says:

In March, 1900, I gave a testimonial recommending Doan's Kidney Pills and in it I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from girlhood and in my efforts to find a cure tried every medicine I could find but without benefit until I began using Doan's Kidney Pills. They proved just the remedy I needed. They went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
